

PARTNERSHIP PROPOSAL 2025/26

NELCA
NORTH & NORTH EAST LINCOLNSHIRE
CARE ASSOCIATION

WELCOME TO THE NORTH & NORTH EAST LINCOLNSHIRE CARE ASSOCIATION

At NNELCA, aim to be the voice of care providers across the North and North East Lincolnshire region. We support the social care sector in its entirety and are here to offer advice, support and to be the strong voice providers can trust to represent their views.

The association was formalised in early 2024 with the aim to be the voice of providers in North East Lincolnshire. Since then, the association has gone from strength to strength with ever increasing membership numbers and in early 2025, we expanded to also support providers of North Lincolnshire.

Our Aim:

To make a positive difference to, and support the future of, the North and North East Lincolnshire provision of care.

Our Focus:

- Fee negotiations
- Training support & funding
- Recruitment support including international/ overseas staff support
- Local and national information sharing
- Being a point of contact for general advice
- Supplier recommendations
